This is to certify that the **KOSHER HOT DOG STAND**, located at Target Field, is under our direct Kosher Supervision.

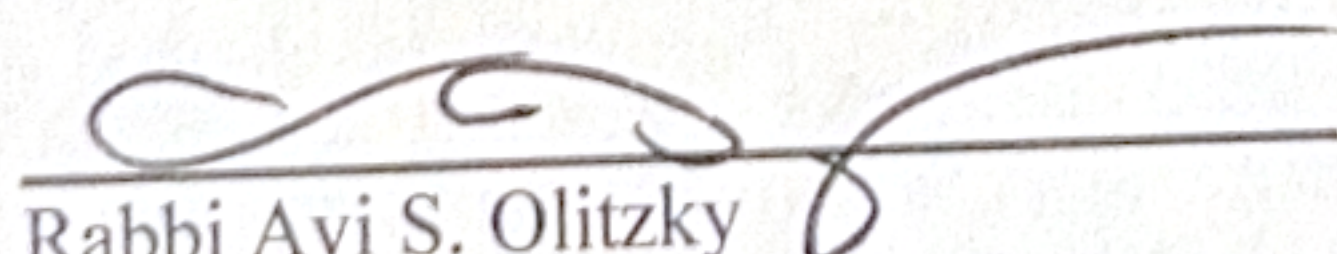

All products served at this establishment are certified kosher—all products other than the Hot Dogs are Kosher Pareve. The hot dogs are certified Kosher meat, but **NOT** certified GLATT. The condiments labeled as kosher, are certified kosher and kept in separate, specialized containers. The buns are certified kosher, but **NOT** certified PAS YISROEL. Vegan “meat” products come from The Herbivorous Butcher and are certified Kosher Pareve by MSP Kosher.

This letter does **NOT** certify this establishment as Kosher for Passover. Further, this establishment, though open on Shabbat and Yom Tov, is not supervised on those days.

Therefore, the grill table/equipment is *kashered with libun gamur* the morning of the subsequent non-Shabbat/Yom Tov game. Please see the corresponding calendar to answer any questions.

This letter of certification is valid until **the completion of the 2025 baseball season** and is subject to renewal at that time.
